ROLE PLAYER INFORMATION:

Subjects 1 and 2: You are parked in a stolen police vehicle. You stole the vehicle earlier in the day after shooting and killing the officer, who attempted to intervene while you were robbing a bank. You are armed and will resist according to the tactics used by the Students. If the Students use *extremely* poor tactics, you have the option to shoot. If the Students use appropriate tactics you will be taken into custody. During the arrest, you will resist based on the level of control exhibited by the Students.

STUDENT INFORMATION:

You are dispatched to the area of Center Street and West Street regarding a suspicious vehicle. The calling party is reporting an unoccupied police vehicle parked in that area. Earlier in the day, an officer responded to an armed robbery and was shot and killed. The officer's vehicle was then stolen. There were two suspects involved in the armed robbery and the murder of the officer.
